Mr. Lloyd Dean
Route # 6,
Morehead, Kentucky, 40351

Dear Mr. Dean:

I obtained your name from my collector's news and hoped that if you did genealogy research that you may be of some assistance in my family tree, being partly from your area. I will include all information in regards to my grandmother who was born in Morehead. I should like to obtain her birth certificate, her marriage license or any other pertinent data.

NAME: Sarah Alice Fraley.

BORN: January 1, 1876 - Morehead, Elliott County, Kentucky.

FATHER: John J. Fraley.

MOTHER: Caroline Mays.

HUSBAND: George C. Timberlake-Born 1862, Died Nov.01, 1911.

MARRIED: 1906.

I am enclosing copies of other family members. I would appreciate any information. Most come from around Lexington and in Harrodsburg.

On my tree, I am stuck two ways on two sides. (See attached). No.#1, marriage between Wm J. Hamilton and Carolyn Truman. Birth or death for Caroline Truman. Of course, any information in regards to parents Ben Truman and wife. Story has it that the Ben Truman's and parents of Franklin Mitchell migrated to this country together from Scotland or Ireland and settled near each other in Kentucky. I will outline any information that I am anxious to obtain.

Possibly from the information enclosed, you could give me some idea of how you charge. I really can't afford much but realize that more can be done from there than a distance.

May I hear from you.

Cordially,

Mrs. Donald E. Carr
