Notes for Thomas Talton "Bad Talt" Hall:

He was a Deputy Sheriff and a U.S. Marshal from 1880 to 1884. I don't have proof that he was born at Litt Carr. This was where the family lived. There are many stories of his notorious life and supposedly killings. In "Crimes, Criminals, and Characters of the Cumberland and Southwest Virginia" Royal Sturgill tells the story of Talton Hall. On Page 41, " Talton Hall's criminal record has probably never been paralleled in the United States. He is credited with 99 murders, and while this is an exaggeration, there is no doubt that he is responsible for the death of 8 to 10 men.....he grew up with such desperadoes as John Wright, who is credited with 27 murders, and Doc Taylor....these men joined General Morgan's band when the war broke out, and made themselves conspicuous for their deeds of reckless daring."When the war ended they returned to Kentucky and inaugurated a rein of terror..although they were frequently arrested, the terror..which they inspired assured their acquittal when brought to trial. In this way, Hall was acquitted of the cold blooded murder of Henry Maggard in 1866. He killed Don Pridemore in 1875, and was acquitted in 1881, and he went free when he murdered his brother-in-law, Henry Houk in 1883...in 1885, he killed his cousin, Mark Hall, and laughed at the sheriff, who tried to arrest him. ..on July 14, 1891, he deliberately murdered chief of Police (Enos B.) Hylton, of Norton, Virginia...he fled..and was captured in Memphis, Tennessee." Hylton had arrested Miles Bates for

stealing a watch and pistol. Talt overtook them and shot Hylton with a 38 caliber pistol.

To Whom It May Concern:

Today, my wife, my sister and myself stopped at the old courthouse and viewed the veterans memorial. The first thing I looked for was family members who served in the armed services. I found my father's name: Howard C. Hall and one brother Clifton Hall 1960-63.

Asa G. Hall served in the U.S Navy from 1961-63, Active Reserves 1963-66 and inactive reserves 1966-70. He was a full lieutenant. Kentucky Veterans Affairs, Frankfort, Kentucky can verify his service as they receive a copy of the DD-214 for any person who entered service in Kentucky upon their release from active duty, I have enclosed a photo of Asa in uniform.

Nathaniel L Hall served in the U.S Army 1960-63 and he was active in the Ohio National Guard for several years obtaining the rank of E-5. Kentucky Veterans Affairs would have a DD-214 on file for Nathaniel. Copy of Nathaniel in uniform.

John David Hall served in the U.S. Army 1975-77. He obtained the rank of First Lieutenant. John's DD-214 is on file in Frankfort. Copy of photo in uniform while serving in Korea.

Clifton, Asa, Nathaniel and John all joined the service. None were drafted, I tried to join but was denied entry due to no sight in my left eye.

Oliver Hall, my uncle served in World War I. Copy of photo of Oliver in France.

I have included a newspaper article about Andrew Quesenberry and the Civil War. Andrew is one of my great-great grandfathers. I have also listed off-springs of my grandfathers who served in military.

Herman Workman's years are incorrect. I have enclosed a photo of Herman in uniform. He served two years 1953-55. I have included photos of Clyde Workman and of Robert Workman. I have also enclosed a copy Wayne Caudill's photo as he married Iselene Workman, my aunt. Wayne was a resident of Rowan County when he entered the service.

The Hall Family came to what is now Rowan County in 1800 when it was Fleming County. David Hall had a son named Isaac Hall, who had a son named George Martin Hall who had a son named George Washington Hall who had a son named Howard C. Hall who had six sons with four serving in the military. The Hall family has deep roots in Rowan County. My mother was a Workman and her family have been in Rowan County for over 100 years. Most of the Workman's names were on the wall.

If, your organization has nothing to do with the wall, I would appreciate your forwarding the enclosed information to the responsible parties.

Sincerely,

Howard C. Hall, Jr.

Dear Mr. Dean:

I have come across your Letter to the Editor in the 8 Nov. 1989 edition of *The Floyd County Times* seeking genealogy information. While I do not now live in Floyd County, I was born there. I am researching the Hall family, which I am descended from on my father's mother's side: my great-great-great-grandparents were Henry C. Watson and Armina "Mindy" Hall. I have not located a marriage record for them, but think they married sometime around 1853.

Armina was the daughter of Elijah Hall and Margaret Clark, whose marriage bond was dated 5 July 1829 in Floyd County, Kentucky. Margaret Clark was the daughter of Daniel Clark, of N.C, while I believe Elijah Hall to be the son of Mesias Hall of N.C. Henry Watson was Armina's first cousin: his mother, Anna Clark, was another daughter of Daniel Clark. Henry's father was Jonathan Watson, born in Scott County, VA.

To give you my side of the Hall line: Henry and Armina's daughter, Augusta J. Watson, married John Wesley Click - marriage bond dated 21 January 1874. Their daughter, Artimishie "Mish" Click, married Henry Milton Woods on 22 January 1897. Their daughter, Dellie Mae Woods, married Ernest Dewey Maynard on 26 September 1930. Their son, Ernest, Jr., married Margie Crider on 22 January 1955. I am their son, born 8 January 1956.

I do not know if any of this information is of use to you or not. If I can be of help, please let me know. I have been able to find scattered information on some of Armina's siblings and their children. Oh, the local post office has informed us that our zip code number will be changing to 20720 as of 1 January 1990.

Sincerely,

William L. Maynard

HALDEMAN--HAYS CROSSING COMMUNITIES

Compiled from a history of the community written by Lloyd Dean in 1953

There are several neighborhoods in the Haldeman--Hays Crossing area. Earliest Haldeman history dates back to 1779 when all of Kentucky was a part of Virginia. Early settlers were Bells, Christians, Cunninghams, Powers, Thomas, Richards, Hays and Cornette. Others who came later were families by name of Sparks, Stinsons, Bowens, Sturgill, Dean, Rice, Cox, Click, Hortons, Kegleys, Stevens, Pelfery, Mabry, Lyons, Fultz, Bailey, Haldeman, Conley, Stewart, Hall, Turners, Wilson, Eldridge, Kitchen, Clark, Reeder, Oney, and others. During middle 1800 Richards were scattered in the community and they are buried in little cemetery at Hays Crossing.

John Wesley Hays who was a civil war veteren came to Haldeman from Letcher County around 1850. He purchased land from the Richards family a track from Buffalo to Gates. This land was rich in clay. These veins were mined for years, first by the Louisville and Portsmouth FireBrick Company before Kentucky Fire Brick took over.

The C & O Railroad ran through the community with stops at Gates, Hays Crossing and Haldeman. Before 1880 Hays Crossing was known as Highland Point, and was a switch point for C & O Railroad freight trains as well as a regular stop. After the Hays family was establishe in the community it took the name of Hays Crossing.

In the late 1880s Mr. W.A. Conley, a dry goods salesman operating from Portsmouth to Morehead and traveling through the country, by covered wagon to peddle his goods, bought land rich in clay veins in the community. He formed a partnership with the Louisville Company which constructed a brickyard.

The Haldeman High School had a modern gym, equipped with bleachers stage and electric scoreboard, a spacious stage with a new set of curtains, costing \$900.00 provided by the P.T.A. The school was known throughout Eastern Kentucky for outstanding athletes.

There were three seperate school buildings in the community, Haldeman High, Haldeman Grade and Little Perry. Haldeman schools had approximat 350 students and Little Perry, twenty-eight.

In the early 40s one of the brick yards closed and the company sold out to the General Refractories. Employment dropped from 300 to 85. In 1945 the Eleventh and Twelfth grades at Haldeman were transferre to Morehead High.

Other families in community are Messer, Hicks, Binion, Creech, Adkins, Cartee, Miller, Parker, Blevins, May, Barker, Puckett, Fraley, Howard, Plank, Cline, Caudill, Amburgey, Roberts, Johnson, Fultz and others.
