

To the descendants, of whose ancestor(s) served the Confederacy as a soldier or as a government executive officer, and have a Kentucky Connection, such as served in a Kentucky unit or is buried in Kentucky.

Please let me know the information so that we may preserve it. We intend to distribute it to several libraries in Kentucky.

We have already given over eleven hundred files to:

The Filson Club in  
Louisville, KY

The Kentucky Library  
and museum at Bowling Green, KY  
The Campbellsville  
University at Campbellsville, KY  
The Forrest's-Orphan Camp  
Museum at Calhoun, KY

National Army Archives, at  
Carlisle PA (pictures only)  
since they wanted only pictures  
To the extent possible, we  
would like to have:

Pictures of : the individual,  
individual's spouse,  
individual's tombstone with  
location-(county and cemetery  
name), and home with location.

An ancestral chart starting with a living descendant (or relative) going back to the Confederate or a close relative such as a brother, uncle, or cousin.

A family chart showing the Confederate, his parents, his spouse, and his children with whom each child married along with dates of birth, dates of marriage, and dates of death where the form asks for it.

Certainly we would like to have interesting information about the Confederate.

In most cases, we would like for this information to be limited to four pages since we hope to make several copies and files on each individual.

If you would like a brochure on a sample file and forms please let us know.

Thanks for your help.
