Dear Huff/Hough Researcher;

After researching my Huff line for some time, I decided to collect all Huff/Hough data that I came across. That naturally led to Granville W. Hough, who has been doing just that for a long time - and has published many volumes of that data. He and O.L. Hough have contributed much to the sorting out of the early Hough families, especially in Pennsylvania and Loudoun Co., VA.

Granville has sent me much of his original research notes - over 1000 pages. That sort of made me an unofficial depository and clearinghouse for Huff/Hough data. My intention is to enter all of those notes into a computer database and make it available to everyone. The original notes will go to the Clayton Genealogical Library in Houston.

Last fall, I decided it was time to have a Huff/Hough Newsletter. We need a means of contact for everyone researching the Huff/Hough/Hoff/Haff/Huffe/ect lines. The first issue went out in early December to about 120 persons that I had collected from various sources. To date, fifty have subscribed. I set the subscription at \$12.00 per year and estimated that I would send out six issues per year. The third issue is ready for mailing around 20 March. At the end of the year, I'll review both the subscription rate and the number of issues to see how much expense and how much time I need to spend.

Your name was sent to me by George L. Trigg. He says you have corresponded with him and were working on other Huff/Hough lines. If you are interested in subscribing, make the check out to me and indicate whether you want your phone published in the list of subscribers. Also, tell me briefly about the line you are searching. You are welcome to send Queries along with your subscription, as that is one of the reasons for the existence of the newsletter. I depend on subscribers to send in queries and data. With any luck, you may find another person researching the same lines. If you subscribe, you will receive the three previous issues.

Sincerely,

Max K. Huff

Remarks

1815

Compiled by Mae Stevason for Lloyd Dean.
Feb. 2, 1971

In a note from J. Emerson Miller "Jack", 610 Manchester⁴⁰⁹⁶⁵ Middleboro, Ky. in 1968, says ELIJAH Creech purchased land in Lee co. Va. in 1807, adjoining his father, Stephen Creech. Jack feels thru his research he has established STEPHEN Creech as the father of Elijah, Enoch, John Sr. and Jonathan. Your Elisha or "Larsh" could be grandson of one of these men, or son- (but not son of John Sr.)

Dear Belle:

Enjoyed your visit, and I now have both Brother's Keeper and PAF on my computer and am trying to enter all of the HUFF information in. Maybe I will get it all in before too long. I am having a time trying to keep up with who I have entered and who I have still to enter. Maybe one day I will get proficient at this.

It has not been proven that the father of Patrick Kelly was a Lawrence. And if you are going by Bea Trevallion's work, you will see that this could not be, as Lawrence was only 15 yrs. older than Patrick. Also, it has not been proven that his name was John Patrick. In the Vital Statistice Records of the death of Mathias Kelly, his name is given as Patrick and his wife as Nancy.

So, you family would read:

- 7. Elizabeth Kelly
- 14. Jonathan Kelly, Jr.
- 15. Nancy Bailey
- 28. Jonathan Kelly Sr.
- 29. Patience Spencer
- 56. Patrick Kelly
- 57. Nancy

Jonathan Kelly who md. Nancy Bailey was the son of Jonathan Kelly and not John Patrick Kelly. This is the Kelly I also descend from. Jonathan and Patience had a daughter named Jane who married Mastin Parker. They also had a son, Isaac, who married Cynthia Parker, a sister to Mastin. Winston Huff, son of JAMES Huff and Obedience Koger, married Stacy Parker a sister to Mastin and Cynthia.

Hope this will help you clear up some questions, and have your history correct.

Sincerely,

Jonathan Kelly m Patience spencer Wilma

Dear

Lloyd

You may know that I research Hough and Huff families and periodically publish what I learn about them. I have some leads on most of the families which were in the U. S. by 1900. Here is what I now have available at \$20.00 each plus \$1.20 sales tax.

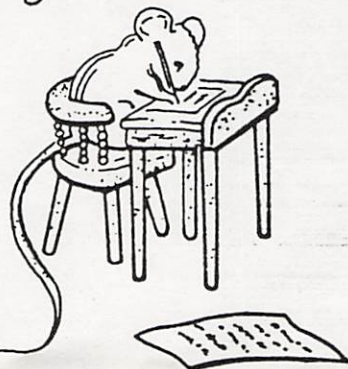

1. Hough and Huff Families of the U. S. Volume I, (1880 Soundex).
2. " Vol II, Northeastern States through 1820
3. " Vol III, Southeastern States through 1820
4. " Vol IV, The Southern Expansion through 1850
5. " Vol V, The Old Northwest through 1850
6. " Vol VI, The West through 1900
7. " Vol VIIA, Southern Hough Families in the Southeast
8. " Vol VIII, Some Huff Families of Tennessee
9. " Vol IX, Hough and Huff Families of Iowa
10. " Vol X, Hough and Huff Families of Mississippi
11. Tales of Our People (The stories, accounts, and diaries of Hough and Huff families as they moved across the nation.)
12. In addition to the above, there are several hundred pension records from those who served in the Armed Forces for \$5.00 each.

I am working on other volumes, one for each state. If you have family information you would like to have included, please send it.

I have worked on all the Huff families in Ky at one time or another. I recognize many of the surnames of your family as those

Marrying into Huff families of Eastern & South eastern Ky. I'll send you what I have in an exchange of info on them. Which Huff families are yours?

Granville W. Hough
Granville W. Hough

(over)

I have them catalogued as - James Mary & Harlan Co.
or William and (3) wives of Letcher Co. etc -
I work with census & military records -

After my X-mas trip to the Grand Canyon, I'll
send those I recognize such as Huff - Creech;
Huff. Amburgly; Huff-Ferguson, etc

Yours
