

LESTER KEGLEY

1903---1981

Seventy seven years and five months ago....A son was born to Mr. & Mrs. John Kegley....This son was named Lester....He was joined in marriage to Dessie Dean and to this union was born five children....His life has spanned the time from the horse and buggy to the automobile....From the airplane to space travel....From dirt roads to paved highways....In his life he has come in contact with thousands of people....As a business man he has helped serve the needs of this area.... He was a person that cared for people and the people respected him....He was a man honest in his dealings with mankind....And fair with those he dealt with....He had concern for those in need....And went out of his way to be of help....This community and his family will miss his presence....But we feel our community is a better place because of his having been here.... As Dale Carnegie said," Any good therefore that I can do, or any kindness that I can show to any human being, let me do it now, let me not defer. nor neglect it, for I shall not pass this way again...." This was the kind of man Lester Kegley was....

Kegley Wins Floral Arrangement

Dessie Kegley, from Morehead, won a Thanksgiving floral arrangement recently from a drawing held at McDonald's restaurant. Drawn from about three to four thousand entries, Kegley is a regular customer, according to Becky Dunn, store manager. She's pictured here with Nelson Dales, swing manager, and her arrangement.

LESTER KEGLEY

1903---1981

Seventy seven years and five months ago....A son was born to Mr. & Mrs. John Kegley....This son was named Lester....He was joined in marriage to Dessie Dean and to this union was born five children....His life has spanned the time from the horse and buggy to the automobile....From the airplane to space travel....From dirt roads to paved highways....In his life he has come in contact with thousands of people....As a business man he has helped serve the needs of this area.... He was a person that cared for people and the people respected him....He was a man honest in his dealings with mankind....And fair with those he dealt with....He had concern for those in need....And went out of his way to be of help....This community and his family will miss his presence....But we feel our community is a better place because of his having been here.... As Dale Carnegie said," Any good therefore that I can do, or any kindness that I can show to any human being, let me do it now, let me not defer. nor neglect it, for I shall not pass this way again...." This was the kind of man Lester Kegley was....
