

Family Group Sheet

Name	Robert Link
Birth	Jul 1860, Kentucky
Father	<u>John L. Link</u> (1835-1929)
Mother	<u>Rhoda [Link]</u> (~1832-)

Misc. Notes

Morgan Co. Marriage Register, Bk 2, p. 289, lists marriage of Robert Link & Ida M. Utterback on Feb 3, 1889, by S. J. Adams, witnesses Sterling Perry and Frank A. Moore.

The 1900 and 1910 censuses differ by 9 years in the implied birthdate for Robert (see Census notes), so I am not sure when he was born.

I cannot find this Robert Link in the Kentucky death records. The index lists a Robert Link, d. 24 Nov 1919, age 75, in Morgan Co., certificate Vol. 62, #30836, but that is likely to be an uncle of this Robert Link, because it implies a birthdate in 1844, and the age couldn't be that wrong.

Census

1900 Soundex index lists in Morgan Co., Pleasant Run, V. 58, E.D. 76, p. 4, line 72:
Robert Link, 39, July 1860; wife Ida M., 27, Aug 1872; dau Sarah E., 6, Aug 1893; son Everett F., 3, Mar 1897. All born in Kentucky.

Also in the same E.D., p. 6, line 34, is Myrtie Link, 8, Mar 1892, a servant with the family headed by Elizzie A. Lewis. From her daughter Ethel Brewer, Myrtie is a daughter of Robert.

1910 Soundex index lists in Morgan Co., indexed as 062 0152 0109:
Robert Link, 40; wife Ida, 41; son Evert, 13. All born in Kentucky.

Note that the 1910 reading would imply a birthdate for Robert of 1870, which is not consistent with the 1870 or 1900 censuses. Probably there is a transcription error in the 1910 Soundex index, and it should say 50. I should check the originals. There is also a 4 year difference in the implied birthdates for Ida; this is more likely to be a misreported age in one of the years rather than a transcription error.

Marriage	3 Feb 1889, Morgan Co., Kentucky
-----------------	----------------------------------

Spouse	Ida Mae Utterback
Birth	25 Jan 1871, Morgan Co., Kentucky
Death	9 Aug 1944, Rowan Co., Kentucky
Father	<u>William O. Utterback</u> (1818-1896)
Mother	<u>Amanda Susan Day</u> (1837-)

Misc. Notes

The 1900 census gives Ida Mae's birthdate as Aug 1872. The 1910 census gives her age as 41, implying a birthdate in 1868 or 1869. Her death certificate gives her age at death as 77, which would imply a birthdate in 1866 or 1867, depending on whether she was born before or after Aug 9. Her gravestone says Jan 25, 1871. The 1870 census might be of help in resolving these discrepancies.

Index to Kentucky death records lists Ida M. Link, d. 9 Aug 1944, age 77, in Rowan Co., certificate Vol. 32, #15834.
