Descendants of Isaac Little

Generation No. 1

1. ISAAC⁵ LITTLE (~~ISAAC⁴, WILLIAM³, WILLIAM², WILLIAM¹~~) was born Abt 1755, and died December 1823 in KY. He married WINNEY. *Not Proven*

Notes

In the 1773 Delinquent Tax Lists of Fincastle County, VA, it lists Isaac Little, Patrick Johnson, and Ephraim Osborn, all are ancestors of Jim Little and Fincastle County, VA was Kentucky before it became a state (Summer 1997, p208-212, of the Magazine of Virginia Genealogy. It also mentions Blackburn Akers, John Leaster, Simon Pack, Daniel, John, and Daniel Blivens, John Burk, Ben Pack, James Boggs, Richard Rattliff, William Adkins, and Moses Damron.) There is an Isaac Little listed in the new River area website at <http://www.ls.net/~newriver/nrv.htm> which is a list of men in Montgomery County, VA in 1780 (what became Grayson County in 1792) accused of being Tories or refusing to take the oath of allegiance to the Commonwealth of Virginia. I found one Isaac Little in the Flower Swift's unit and one Isaac is listed in the list of Tories and Quakers in the Upper New River area (became Grayson County, VA in 1792) around 1780. I found an Isaac Little in Russell County, VA in 1790 in the list of Personal Property. In 1810 Russell County, VA, I found William and Sarah Little listed. Isaac Little's Will was probated in Court Jan. 1824 in Pike County, KY, so I am ASSUMING he died the month before. James Roberts was the administrator of Isaac's Will, even though Isaac seemed to have children and his wife in the area, but they may have been gone at the time. He didn't mention any names in his Will, just said wife and children. Peter Little of Clay and Wolfe County, KY is listed in the 1820 Floyd County, KY census with Isaac, James W., and William Little, so it is a possibility that he could be a relative someday. Isaac's son, James Little, moved to Blount County, AL. We also found a John Little, wife Susan, in the 1850 Blount County, AL census which could be Isaac's son, too, and he went with James to Blount Co. (Some of this information from Sharon Black at black@1starnet.com in Oct. 1998) It says that John and Susan were both born about 1786 in SC. I found a John Little married Susan Crump Apr. 22, 1828 in Washington County, KY. Some possibilities of Isaac's sons could be Peter, James, John and Samuel and maybe a daughter, Ann. Ann lived with James Little in Blount County and she was born in SC. Samuel married Margaret/Mary Newcomb Sept. 1797 in Mason County, KY and this family moved to Sangamon County, IL where you can find it in the county history book. Mason County was the parent county of Floyd County. There is an Isaac Little that was christened Oct. 26, 1760 in Brinkworth, Wiltshire, England. And please use this report only as a guide as there may be typing errors and other errors from the newspaper clippings and state records. Isaac's father has not been proven but several researchers believe he is the son of Isaac Little, Sr., grandson of William Little. In Dec. 2000, Ken Burke at kburke@eastky.net said Winney's maiden name is Caudill. Other sugestions for Winney's maiden name is Adams as lots of Adams use the name Winney and Roberts as James Roberts was exe. of Isaac Little's Will.

Children of Isaac Little and Winney are:

2. i. ELIZABETH⁶ LITTLE, b. Abt 1779; d. Aft 1850.
3. ii. WILLIAM LITTLE, SR., b. Abt 1785, VA; d. September 16, 1853, Pike County, KY.

He married (2) BETSY TERRILL January 10, 1817 in Floyd County, KY. He married (3) ELIZABETH SWINNEY June 08, 1828 in Pike County, KY, daughter of Betsy Gibson.

Notes

Dorcus.(Mullins) Kelley and William Little lived together for about 3 years according to the court records. Kesiah Davis testified Dec. 1817 that Dorcas went to bed with Henry Davis and Hiram G. Walters and Dorcas had son Bill. Isaac Little testified that Dorcas said her son was son of William Little. Robert Large testified that Dorcas (Mullins) Kelley and William Little bed together as man and wife for three years, and that Dorcas said her child was William Little's. John Kelley, father of John Kelley, Jr. testified that Darkey Kelley, wife of John Kelley, Jr. lived with William Little. We don't know what happened to the child. We may have found the child (1999). We have a William Rufus Mullins. Then after census records thereafter list him as Kelly. The researchers don't believe this William Rufus was old enough to be our William Little. The record says that William Rufus Mullins-Kelly was born around 1822 to 1824, but with expierence, I know some have made themselves up to 10 years older or younger than the record. William Little married Betsy Jan. 1817 so all this took place before he married Betsy. My genealogy report says he married Dorcus Mullins, but according to the trial, he did not. I have tried to change it, but it won't change in the Family Tree Report. William married second Elizabeth Swinney, daughter of Betty Gibson/Gipson. I don't know if Elizabeth was married before or her mother had remarried with a different last name, but on the marriage record, it says Elizabeth Swinney.

Notes

Shortly after marriage, moved to Lexington, KY; then to Blount County, AL. James died from a fall off a fence into a deep ditch in Alabama. Notes

According to Amil Little, Moses was the son of Samuel Little, but we found no evidence of that. He said that this Samuel came from the Yadkin Valley with Daniel Boone-expedition. which Daniel Boone would be too

early for this fellow. We might want to check and see if Isaac Little, the oldest Little in the Floyd County area might be a son of Samuel Little which the dates would be more correct. I found a James A. Little born April 8, 1855 in Pike County, KY birth records and the father is Moses Little and the mother is Clemina Arten. This is the only Moses it could be, but I don't recognize the mother. This may be a baseboard child. Polly Ann has been copied as Patty Ann from the marriage record. And then I find one Benjamin Little born 1877 in Floyd County, KY as the son of Moses Little and Mary A. Polly. Should this read Mary A. Johnson or Polly A. Johnson?

Hello—

I am enclosing a couple of genealogy reports for your wife on the Littles in the area. If she sees any errors or would like to have additions added, please let me know. I know I do make errors as I am not perfect so any correction is fine. You won't hurt my feelings.

I have it back past Isaac, but that hasn't been proven. A fellow said that is the way it goes, so I made him a genealogy report and now I haven't figured out how to take it off without erasing all my work.

These Littles belong to Isaac Little of Floyd and Pike Counties. Edmund Little is the ancestor of the Littles in Breathitt County; and Peter Little of Wolfe and Clay Counties, KY. Daviess County ancestor is George Little and Thomas Little is the ancestor for Mercer and Franklin Counties, KY. I am working on a bunch of Littles in Henry and Trimble Counties, KY and I understand they were Cherokee and they moved back and forth across the Ohio River into Indiana. And then I have some strays that fell between the cracks that we just can't hook up. They seem to be just passing through.

Have a good day.

Jackie

Hello— L L o y D

I am enclosing a couple of genealogy reports for your wife on the Littles in the area. If she sees any errors or would like to have additions added, please let me know. I know I do make errors as I am not perfect so any correction is fine. You won't hurt my feelings.

I have it back past Isaac, but that hasn't been proven. A fellow said that is the way it goes, so I made him a genealogy report and now I haven't figured out how to take it off without erasing all my work.

These Littles belong to Isaac Little of Floyd and Pike Counties. Edmund Little is the ancestor of the Littles in Breathitt County; and Peter Little of Wolfe and Clay Counties, KY. Daviess County ancestor is George Little and Thomas Little is the ancestor for Mercer and Franklin Counties, KY. I am working on a bunch of Littles in Henry and Trimble Counties, KY and I understand they were Cherokee and they moved back and forth across the Ohio River into Indiana. And then I have some strays that fell between the cracks that we just can't hook up. They seem to be just passing through.

Have a good day.

Jackie
