Dear Sir:

I am trying to research the family of John McAnespy who lived in Farmers, Rowan County, Kentucky from around the 1860's to the 1890's. My great-grandmother, Mary B. McAnespy, was born in Farmers on August 11, 1860 and was married to Francis Whitfield Carney on June 24, 1886 by Elder Jacob (?) Martin. Witnesses to this marriage were Robert McIntire and wife and Bettie McAnespy and others. Mary's brother Henry and his wife Nannie lived on Main Street, Morehead, Kentucky at the time of the 1900 Census. His occupation was listed as Sadler.

If the Rowan County Historical Society has any information concerning the John and Sarah (Atchison) McAnespy family, I would appreciate your contacting me by using the enclosed self-addressed stamped envelope. I will more than gladly defray any costs of materials and postage should you have information concerning this family.

Thank you, in advance, for any assistance you can provide.

Sincerely,

Susan Carney Morris
